

Year 2 Summer Curriculum Overview

Wow we are into our last term already but look at all of the exciting things we are doing.

English

As part of our Summer theme we will be;

- Reading Stories in a Fantasy setting
- Describing characters and settings
- Using different sentence types
- Looking at story language
- Poetry - Patterned language
- Rhyming
- Commands - Instructions around a fantasy island.
- Reports - Sightings of dragons!

Mathematics

- Fractions of shape and number
- Problem solving
- Addition and subtraction
- Division and multiplication
- Time and units of measure
- Mental calculation

Religion

- Our Church
- Celebrations and liturgical seasons

Science

As part of understanding Living Things and their Habitats we will be:

- Looking at identifying and classifying animals
- What is a carnivore, herbivore and an omnivore?
- Why do different animals live in different habitats
- Food Chains

Topic

- What makes the United Kingdom an Island?
- Habitats for Dragons
- What would you need to survive on a deserted island?
- Weather

PE

- Gymnastics; movement and how to use different parts of our bodies.
- Athletics

Art and Design

- Designing our own dragon
- Stitching our puppets
- Cutting templates carefully

- Selecting the best materials for a puppet

PSHE

- Changes
- Why things change and how we can prepare for them
- Coping mechanisms to deal with change
